

# Windmill Estate Maintenance Company Ltd – Widmer End

~ (Run BY Residents FOR the Residents) ~

FYI - The Maintenance of our Estate here in Widmer End involves arranging the upkeep and care of around 95 trees (inc 3 with Preservation Orders), 3 acres of greens + hedging, walkways, forecourts, alleys, steps, ad hoc fences & brick walls, tarmac areas etc as shown.

WEMC members and our contractor Scott are residents of the estate and therefore our environment is important to us. So we have also continually reported to FixMyStreet regarding road surfaces, graffiti, footpath repairs, utility problems, etc and had a fair bit of success as you can see below. Plus on our residents behalf, we've worked long and hard to keep our threatened streetlights and their ongoing maintenance by Hughenden Parish Council and to get Georges Hill resurfaced.

We manage on a tight budget and are extremely grateful for our handful of volunteers and helpers – however we could always do with more assistance to avoid us being taken over by a faceless private profiteering company. We'd like to thank Carol and Richard who have helped with deliveries and general tidying, Jen who's helping us work out what a Risk Register is and Jess who's recently attempting to make our Facebook posts more interesting!

🙏 Could you help us ? 🙏

If you'd like to be involved in your community, perhaps keep your brain active and meet up with like-minded residents keen to maintain and improve our environment, we would love to have a chat and discuss how you could help our team - possibly planting bulbs, staining/painting, delivering newsletters, sharing any expertise in gardening, accountancy or legal matters etc. Please email [wemc67@yahoo.co.uk](mailto:wemc67@yahoo.co.uk) in the first instance .
